

All of Australia Tour Packages 20 Nights / 21 Days

Description

When you explore **Australia tour packages**, you can experience the country's rich diversity firsthand. Australia has a rich Indigenous culture. Its cities are lively and influenced by the world. Something for every traveler to enjoy exists.

Australia is a diverse country, made up of both Indigenous Australians and immigrants from around the world. **As a result**, its culture is a rich blend of traditions, languages, and customs.

The primary language spoken is English, **though** there are also many other languages spoken due to the multicultural nature of the nation.

In addition, a significant number of Australians identify with Christianity, which has shaped much of the country's cultural and historical development. **Thus**, Australia's identity is a dynamic combination of Indigenous heritage, immigrant influences, and the country's Christian traditions.

The Indigenous roots, British history, and ethnic influence Australian culture. Australians are known for being friendly and relaxed. They also have a strong love for sports and outdoor activities.

Australia has mixed-market economy with strong emphasis on services and resources. Many people know that it contains abundant natural resources, including coal, iron ore, and gold. These resources greatly help its export-focused economy..

The country is also major exporter of Agricultural products such as Meat, Dairy, Wine, etc. The economy marks a high quality of life, minimal joblessness, and a robust currency.

Australia is a popular travel destination known for its wildlife, landscapes, and cities. Key attractions include the Great Barrier Reef, Uluru, Gold Coast beaches, Sydney Opera House, and spots in Melbourne.

The country offers wide range of outdoor activities like Hiking, Snorkeling and Wildlife viewing. Australia also has strong tourism industry with significant contribution to the country's economy.

Australia is democratic country with federal system of government consisting of six states and two territories. Australian Constitution divides powers between Federal Government and State / Territory Governments.

Australia has a government led by a Prime Minister and a Monarch (currently Queen Elizabeth II). The main political parties are the Liberal/National Coalition and the Australian Labor Party, along with some minor parties.

When you explore **Australia tour packages**, you'll experience this unique blend of cultures and traditions. Our Australia tour packages have options for every type of traveler. You can explore lively cities like Sydney and Melbourne. You can also see the beautiful Great Barrier Reef and Uluru.

Australia known for its unique Wildlife including Kangaroos, Koalas, Platypus and many species of Birds and Marine animals. The country has a rich Indigenous history and cultural heritage, with Indigenous Australians comprising about 3% of the population.

Australia also has strong education system with many highly-ranked universities and research institutions. The country faces environmental problems like climate change and conservation. It also tackles social issues such as indigenous rights and immigration policies.

So pack your bags and get ready for an memorable adventure down under!
